PROPERTY MANAGEMENT
Management Company
901-327-7916

Our speakers including:

County Commissioner Shante Avant

Shante K. Avant is a native Memphian and holds a B.A. in Psychology and a M.S. in Social Work from the University of Tennessee, Knoxville. She is affiliated with the Women's Funding Network, Ford Foundation Fellowship, and a member of the University of Memphis' Social Work Community Advisory Board. Avant currently serves as a Shelby County Commissioner representing District 5; and President and CEO of the Women's Foundation for a Greater Memphis (WFGM)

- ◆ **Maurice Hulon** a representative from the Sheriff Dept.
- ◆ Our Neighborhood Watch chairperson **Michelle Flagg** will speak on our efforts to keep the neighborhood safe and our joint efforts with the sheirffs dept
 - ◆ Representatives from **DRM law firm** will cover enforcement of the Promulgated Rules and Regulations and other legal matters.
- ◆ Also Tomeka Roach from Wright Property Management will cover other HOA issues and answer any questions you may have.

Will serve dinner and give away a couple of \$50.00 Gift Cards

Shelby Park HOA

Garage Storage

Your garage is a place to park your cars. The garages in this neighborhood will hold 2 cars and tools and such. The garage door must be down at all times except when you are entering or exiting the garage. This helps Shelby Park to maintain its property values and keeps everyone safe.

The garage is not intended for the following:

- ◆ **No Entertaining of any kind or playing loud music (That's why you have a Backyard)**
- ◆ **Nor is it to be used as an extra room or an addition to your house for sleeping, your business office or the like.**

No Propane heaters are to be used for warmth or cooling at any time

- ◆ **Nor to Bar-B-Que or cook food**
- ◆ **No Sports activity of any kind can be played in the garage**
- ◆ **Nor used as an extension of your porch to watch the cars go by.**
- ◆ **Nor to store pets, live stock, chickens or the like.**

Your Garage is to simply park your cars and store your tools and stuff!

Anything else will get you a fine (starting at \$100,00) and/or a letter from our attorneys at DRM.

Shelby Park Community Adopted/Promulgated Rules and Regulations

Revisions

Shelby Park's Covenants, Conditions and Restrictions better known as (CCR's) from time to time must be amended, revised and modified. This allows the community to address new innovations, environmental changes and other issues as they arise. Here are the most recent updates.

Amendment to Promulgated Rule - Revised Addendums/Modifications 7-1-2024

8. Garbage – Ruling: All equipment, garbage cans, woodpiles or storage piles shall be screened by adequate planting or fencing to conceal them from view of driveways and street. No garbage cans shall be left in the alleyways, but shall be screened from view. Homeowners with an alley way must have their trash pickup from the alley and the waste company can only pick up trash on the alley. Moreover, only homes with front -loaded garages can have their pickup in front of their house. Furthermore, no trash bins can be stored in the alley, sidewalk, or street at any time and must be moved from view 36 hours after pickup. All rubbish, trash, or garbage shall be regularly removed from the premises and shall not be allowed to accumulate. Violators will be fined.

No additional structures shall be allowed on the property or added to the home including but not limited to Decks, Pergolas, Outdoor Awnings, Covered/Screened-in Porches, roll-out shade covers, Patio Enclosures, or any other attachment and/or addition to the home. As stated in: *Basis: Article VII (Section A)*

Article VII – A: *All buildings or structures erected upon said Property shall be of new construction, shall be primarily brick with shingled roofs and no buildings or structures shall be moved from other location onto said property, and no subsequent buildings or structures, other than single family houses shall be constructed. No structures of a temporary character, trailer, basement, tent, shack, garage, barn, or other building shall be used on any portion of said Property at any time as a residence, either temporarily or permanently.*

Only Patio umbrellas are allowed to be higher than the fence-line on the patio.

Other stored items on the patio must be below the fence-line such as, portable hot tubs, saunas, outdoor grills/ovens, outdoor kitchens, Patio Outdoor storage units and the like, must be below the fence-line and not attached to your home. (Note: (hot tubs, saunas and the like that contain water-require that you have a fence. (for the safety of children, animals and the community as a whole)

Generators: if you choose to use a generator, they shall only be used in the case of a power outage or other unforeseeable emergency. Generators shall not be used as a regular source of energy to power one's home in lieu of the local utility company. Furthermore, generators must be operated in a safe, well ventilated place (not in your garage) and monitored on a regular basis; thus ensuring that they don't become a danger to you or the neighborhood.

Solar Panels: if you choose to use Solar Power it is allowed under the Memphis and Shelby County ordinance. The Shelby Park P. D. has chosen to adopt this ordinance for our HOA. (*Memphis and Shelby County Unified Development Code (2.6 Use Standards-2.6.2 Civic Use Standards)*)

For a complete outline of the Shelby Park HOA CCC's go to www.ShelbyPark.org

For a complete outline of the Shelby County Ordinances go to: https://library.municode.com/tn/shelby_county/codes/code_of_ordinances

Any an All Changes/Additions or Modifications must be Approved by the HOA board and/or Management Company.

Weeding Mulching & Spraying Lawns and Beds

Article 7 (i) in Shelby Park's HOA covenants— Grass, weeds, vegetation and debris on each Lot shall be kept mowed and cleared at regular intervals by the Owner thereof so as to maintain the same in a neat and attractive manner. Trees, shrubs, vines, debris and plants in flower beds which die shall be promptly removed from such Lots. Beds should be mulched at least annually. Developer or Management Company, at its option and its discretion, may mow and have dead trees and debris removed from such Lots and the Owner of such Lot shall be obligated to reimburse Developer or Management company for the cost of such work should he refuse or neglect to comply with the terms of this paragraph.

This year we're cracking down more than ever on lawn care. This does not only include cutting your grass but spraying for weeds maintaining flowerbeds and overall grooming of your property.

**Spraying for weeds is not optional
Fines with start at \$100.00!**

*There are several houses that need to be painted and others that need to have roofs replaced as well as fences.
This is all part of overall property maintenance*

As a reminder;
(YOU CAN NOT PAINT YOUR FENCE!!!)

Most of you have already gotten a notice on these issues over the last few years so they've been turned over to our attorneys at DRM, However, if you plan to get repairs done in the next 30 days let us know 901-327-7916.

Help Keep our Community Beautiful!!!

1. **Spray for weeds.** (whether you spray yourself or hire a lawn care service.)
2. **Keep your yard mowed and resod portions of your yard as needed.**
3. **Trim trees, scrubs and bushes.**
4. **Remove weeds & Mulch your flowerbeds.**
5. **Paint your houses and shutters.**
6. **Paint and Refresh your mailboxes, putting numbers on both sides.**
7. **Replace Shingles or if needed the entire Roof. If you're missing 20 or more, Shingles replace the entire roof.**
8. **Keep your property free from trash, leaves and other debris.** (front, back and side yard)
9. **Remove all Trailers, Sports equipment and commercial vehicles from the premises.**

For more information visit
our Website;
ShelbyPark.org

*We want to continue to maintain the property
values in our neighborhood.*

Lawn Services by “Metro Turf”

Many of you have asked for help with getting various lawn services done. Wright Property Management referred me to Metro Turf. We’ve partnered with Metro Turf to assist you with this task. Their services include:

1. Cutting, edging and blowing of lawns every 2 weeks

(including weed control, flower beds and
shrubs and bushes) for the summer months
of June, July and August 2025*

This contest is open to Homeowners and Renters.

Winners will receive \$50.00 Visa gift card

Let's keep our Yards and our Neighborhood Beautiful

Neighborhood Watch

Hello, my name is Michelle Flagg and I'm the Chairman of the Neighborhood Watch for Shelby Park HOA and Bruce Harris is my Co-Chair.

What is a Neighborhood Watch? It's "Homeland Security" at the most local level. It's an opportunity to volunteer and work toward increasing the safety, security and cleanliness of our homes and our homeland.

Our purpose is to Create Awareness. An Active Neighborhood Watch deters crime and criminals tend to avoid areas where residents are organized and attentive. Also, it lets the community know that we are present and vigilant in protecting our homes and neighborhood.

How Can You Help:

- ◆ When you're coming home from work, drive around the neighborhood, and get to know your neighbors.
- ◆ Get to know the names of the streets.
- ◆ Drive the Alleyways if you haven't and get to know your neighbors.
- ◆ Walk the neighborhood. It's great exercise and gives you and opportunity to look for anything suspicious.
- ◆ Put security signs in your yard.
- ◆ Install cameras to record activity around you and share your cameras with the Sheriff's Dept.
- ◆ Communicate with each other if you see suspicious activity.
- ◆ Use apps such as Next Door, Ring Neighbors, HOA express etc.
- ◆ When getting packages delivered, give the delivery personnel instructions as to where to place your packages; or have them delivered in your garage or at your office.

I Can't Do This By Myself

If you want to join the Neighborhood Watch you can Contact me,
Michelle Flagg—Neighborhood Watch Liaison—lajuanafagg@gmail.com—901-857-2398

or

Bruce Harris—Co- Chair
theclient.firm@gmail.com

Help Keep our Neighborhood Clean & help Deter Crime

There was a cat toy that was trashed at the dead end of Tamirind for weeks. If you see something like this in the future, do what I did, get a garbage bag and gloves and pick it up and put it in your trash bin. **(If you see items too large or a deluge of items then let a board member know or the Management Company and we'll hire a company to clean it up)** **But don't let the community think it's ok to dump trash in our Shelby Park Neighborhood!**

Clean neighborhoods can significantly deter crime for the following reasons:

1. Community Pride and Engagement: Well-maintained areas often foster a sense of community pride. Residents who take care of their surroundings are more likely to engage with one another.
2. Increased Surveillance: Clean neighborhoods typically have more active residents, which leads to increased natural surveillance. If people are out walking, gardening, or socializing, it becomes harder for potential criminals to operate unnoticed.
3. Broken Windows Theory: This theory suggests that visible signs of disorder, such as litter and vandalism, can encourage further crime. A clean environment signals that the community is cared for and monitored, potentially deterring criminal behavior.
4. Enhanced Property Values: Clean neighborhoods tend to have higher property values, which can attract more responsible residents and businesses. This economic stability can lead to lower crime rates.
5. Reduction of Anonymity: A clean neighborhood often means more community involvement. When residents know their neighbors, it reduces anonymity, making it riskier for criminals to commit offenses.
6. Improved Mental Well-being: Clean and well-kept environments contribute to better mental health and well-being among residents, leading to a more cohesive community that collectively looks out for one another.
7. Attracting Positive Activities: Clean neighborhoods can attract community events, families, and businesses, creating a vibrant atmosphere that discourages crime through positive engagement and activities.

Overall, a clean neighborhood creates a positive environment that can significantly reduce the likelihood of criminal activities.

Spring/Summer 2025

"Hometown Disposal"

You've probably seen the "Children at Play" signs put up around the neighborhood. We're asking that you slow down and watch out for kids in our neighborhoods (especially the alleys.)

We've already had one child to get hit by a car in the past year and we don't want to see this happen again. Keep our kids safe and slow down; and parents please watch you children while they're out playing. I recently saw a child chasing after a ball on roller skates as it was rolling into the street. Remember, they're kids that just want to have fun; and are not always aware of the dangers around them.

Website: www.htdisposal.com

Shelby Park HOA has chosen to use Hometown as our community disposal system. Their base residential rate is **\$28.00** per month (which includes one 95 gallon cart.)
If you pay for the full year you get one month FREE!!!
Call them today!!!
901-794-9096

It was founded in 2008 and launched in the United States in October 2011. Nextdoor® is a social networking service for neighborhoods and is based in San Francisco, California, US.

It's where communities come together to greet newcomers, exchange recommendations, and read the latest local news. Where neighbors support local businesses and get updates from public agencies. Where neighbors borrow tools and sell couches. It's how to get the most out of everything nearby.

Welcome, neighbor. 

The Global Impact of Nextdoor:

- 100+ million verified neighbors
- 11 countries
- 340,000 neighborhoods globally
- 5 million claimed business pages
- 6,000 public agencies
- 1 in 3 U.S. households

www.nextdoor.com

CONNECT NOW 

- Move your Trash Bins out of public view **within 24 to 48 hours** after trash pick up.
- Store your trash bins either: **behind your fence, between your house or inside your garage.**
- Homeowners with an alleyway must have their trash pickup from the alley.
- **Only homes with front-loaded garages can have their pickup in front of the house.**
If trash bins are not put out of view you will incur fines.

Amendment to Promulgated Rule - Revised Addendums - July 1, 2024

8. Garbage – Ruling: All equipment, garbage cans, woodpiles or storage piles shall be screened by adequate planting or fencing to conceal them from view of drives and street. No garbage cans shall be left in the alleyways but shall be screened from view. **Homeowners with an alleyway must have their trash pickup from the alleyway!!!**

Moreover, only homes with front-load garages may have their trash picked up in front of their houses.

If your mailbox needs to be repaired or replaced there are two vendors

If your mailbox needs to be repaired or replaced there are two vendors that we have authorized to do the work, this keeps our mailboxes inline with our Covenants, Conditions and Restrictions. (CCR) (Article VIII - 8.02 - Prohibited Uses and Nuisances -Section 1 - U)

Shelby Park has approved two vendors

- ♦ Ken Black at 901-604-0468
- ♦ Brock Shafer - 901-238-7974

Also, you must have numbers on both sides of the mailbox according to the U. S. Postal Service or you may not receive your mail!

The Board of Directors invited Best Care to come out and speak with us at our June 2024 meeting. They spoke on how a 'Home Generators: could benefit our HOA residents. They shared how generators increase your property values by the cost of the generators. For our community cost of a Generac will run about \$15,000 to \$20,000 **(depending on the size of your generator and the size of your home)**

This cost includes a Generac Generator, installation, warranty and service.

Remember you're dealing with your natural gas lines, so don't risk blowing up the half the neighborhood trying to save a few bucks, GET A PROFESSIONAL!!!

Other reasons Why You Should Invest in a Generator?

- ◆ Investing in a Generator is more than just purchasing a backup power supply system; it's investing in your home and your family's safety and comfort.
- ◆ It protects your Appliances and Electronics and prevents damage caused by sudden electrical surges and fluctuations.
- ◆ Ensures that your home remains operational during blackouts. This is especially beneficial to the millions of people who are now working from home. You can also preserve your food, maintain climate control, and power essential devices.
- ◆ Neighborhood Watch programs encourage enhanced safety by keeping your home well-lit and secure during power outages. This can reduce the risk of a home invasion and keep your family safe.

Generac is a trusted leaders in Home Backup Generators. Established in 1959 they were the first to create affordable home standby generators and developed specialized engines for home use. Generac's relentless commitment to innovation, ensures reliable and uninterrupted power supply, making them a trusted choice for countless customers worldwide.

Best Care states that, we started the company with one service truck, a laptop computer and an advertising budget that consisted of handing business cards to neighbors. Today, we have over 90 employees, 75 service trucks on the road and a customer base that has grown to more than 90,000 customers.

We are family owned and operated and we treat you, our customers, like part of the family; we never want to lose that personal contact we've worked so hard to build. We so appreciate you for giving us a try and the loyalty you've shown by referring us to your friends and family.

Best Care Home Services also won the "Memphis Most Awards," in the Heating, Air and Plumbing Service Company category in the Mid-South for four years in a row.

Shelby Park Community Adopted/Promulgated Rules and Regulations Parking in Shelby Park HOA

Revised Adumduns/Modifications 7-1-2023

Shelby Park's Covenants, Conditions and Restrictions better known as (CCR's) from time to time must be amended, revised and modified. This allows the community to address new innovations, environmental changes and other issues as they arise. Here are the most recent updates.

1. **Parking vehicles on residential streets:** the Sheriff's department ordinances states that a vehicle can't parked in one spot for longer than **24 hours consecutively. (Other than your parking pad or garage)**
(Shelby County Municipal Code 1992) - Section 24-191(a)

Shelby Park P. D. understands that from time to time there may be a need for a homeowner and/or guest to park longer;. Therefore, the Board has extended the time to **3 days** before it must be moved. The vehicle shall be moved to your garage, your parking pad, or in front of the your house **or it will be ticketed and towed.**

2. **Parking in the Alleyway:** The Alleyway in the Shelby Park HOA is private Property, in addition to any and all common areas for which the HOA is responsible for maintaining. Thus, **the HOA has the right to tow any car** deemed necessary to maintain the flow of traffic, and/or that impedes the view of others traveling in the alley. Therefore, even though you may be completely parked on your "Parking Pad", if it makes it difficult for your neighbors to exit their garage or impedes their view in any way, then you must park in your garage or in front of your own house. (Section 2j -- Prohibited Uses and Nuisances)

3. **Parking** anywhere in the Shelby Park Community that in impedes any resident from exiting their driveway, alleyway, or blocks ones view; (fully or partially) then you must store their vehicle in another location weather that is in your garage, on your parking pad or in front of your home **or will risk getting your car ticketed and towed.**

4. **Parking of Guests** limit parking of your guest vehicles, when possible, to the area in front of your house, in your garage or on your parking pad (especially before 6:00pm.) This will ensure that your neighbors receive their mail, as well as other residents in the community have a place to park for themselves and their guests.

5. **Parking at the Dead-End:** There shall be no parking in the dead-end street of Tamarind Lane; hence, the Sheriff's Department "No Parking" sign.

For a complete outline of the Shelby Park HOA CCC's go to www.ShelbyPark.org
For a complete outline of the Shelby County Ordinances go to: https://library.municode.com/tn/shelby_county/codes/code_of_ordinances

As we go into the Graduation season, as a reminder signs of any kind (other than “For Sale and For Rent signs”) are prohibited.

We’ve made an exception for Game Day signs, Graduation and the like but they must be taken down after 7 days!!! or risk incurring a \$50.00 fine.

Your 2025 HOA Dues are long overdue.

Your HOA dues are needed so that we can make various repairs and upkeep the alleyways and common area. We also have various activities throughout the year for all to participate. (Our Annual Meeting, National Nightout, Christmas Celebration etc
If you haven't paid your HOA dues, please take a moment and pay them now by contacting:

Tomeka at Wright Property Management at 901-327-7916.

Dog Poop is not Fertilizer—It is important for dog owners to understand that the detrimental elements found within canine excrement render it an unsuitable option for use as fertilizer.

Intestinal Parasites—Dog poop can be a carrier for various intestinal parasites that are dangerous to both humans and other animals, including other dogs. Toxocara, Giardia, and Hookworm are among the most prevalent parasites found in dog feces.

Water & Soil Contamination— allowing dog waste to remain on the ground may result in it being swept into storm drains by rainfall, contaminating water resources. This contamination can encourage algae proliferation and render bodies of water unfit for activities like swimming, diving, and fishing. Animal waste breaking down in aquatic environments can lead to rampant growth of algae and weeds, which compromises the quality of the water and soil.

Nuisance and Unsightliness: Let’s face it, nobody wants to step in dog poop. It’s unpleasant, smelly, and can ruin your shoes. Leaving waste behind makes public spaces less enjoyable for everyone.

Legal and Social Responsibilities — Numerous municipalities have implemented regulations mandating that dog owners must collect their animal’s waste, acknowledging the wider consequences of disregarding this obligation. As a responsible pet parent, it is crucial to maintain hygiene by properly disposing of dog poop to avoid substantial penalties and prevent significant issues like public sanitation challenges and potential health hazards within the community.

See Something, Say Something

Instead of complaining amongst yourselves or grinning and bearing it, let someone know if there’s a problem. If someone’s blocking your mailbox or parking in the alley or just being a nuisance, let us know and we’ll try to get the situation resolved. All board members can be found on the first page of this newsletter; or you can contact Wright Property Management at 901-327-7916
